Early Years/Blynyddoedd Cynnar

Reception have had a super busy week! The highlight of the week was performing "Shine Star Shine" to our families in school and our friends in Beatrice Webb Care Home.

We've been making our Christmas cards and calanders and a special decoration for the tree as a memory of our time in Reception.

Next week we will be making our chocolate reindeer cakes. We cannot wait!

Year 3 & 4/Blwyddyn 3 & 4

We have been making batik wax designs for our calendars which is new for us. We have also been finishing our Christmas cards. In science we have been learning about solids, liquids and gases and we have done an investigation to show how we can change water into a solid and a gas and that the changes are reversible.. We have also been writing acrostic poems about the nativity.

In Year 4, we have been writing and drawing about what Christmas means to us. Our Christmas craft is going well, finishing off our cards and decorations. We are looking forward to performing for our families in Mount Pleasant Church next week

Year 1 & 2/Blwyddyn 1&2

Year 2 The children have been practising singing Christmas songs in preparation for their Christmas celebrations next week. They have written instruction of how to make hot chocolate to put into their Christmas books.

Year 1 have been sequencing the nativity story and have been doing their Christmas cards and calendars ready for 2020! We've also been practicing our Christmas songs for the upcoming Christmas

Year 5&6/Blwyddyn 5&6

Year 5 have had a busy week, practising for our Christmas performances at Mount Pleasant and in the Christingle Karaoke next week. We had fun in science where we investigated sinking and floating materials. We have also been reflecting on 2019 and thinking about what went well and what we want to achieve in 2020.

Year 6 We have enjoyed analysing the results of the general election. We have created lots of different graphs to show a variety of data! It has inspired us to become the next generation of politicians!
